

Boardmaker

Parent Training

Two Sessions

October 19, 2010

November 16, 2010

11:00am-12:30pm

This workshop is an introduction to Boardmaker. Learn to navigate Boardmaker and begin to make simple visuals. Bring ideas for visuals that would be useful in your home and we will help you to create them. Leave the workshop with a finished product that is personalized for your family.
