Dear Parents/Guardians,

In order to make the return to school for your child easier and more expedient after a hospitalization or long term illness, we have compiled data on one form. To ensure the safety of your child, the Northshore Education Consortium's policy states that it is mandatory to have clearance from a physician in order for your child to return to school after a prolonged illness, hospitalization or surgical procedure.

Thank you for your cooperation in this matter. If you have any questions, please contact your classroom teacher, nurse or therapist.

Sincerely,

Deanne Cefalo

Director
