## Thanksgiving Feast

The culinary program students worked hard to deliver a delicious Thanksgiving Feast. Here they are working on two classics—butternut squash and stuffing.

## **Festivus 5K is a Wrap!**

Festivus 5K for Autism, a run/walk that benefits the Northshore Education Consortium, was held on December 15 at 10 AM at Finz Seafood and Grill in Salem.

The race raised over \$27,000 to benefit NEC students. Many NEC staff members, families, and students participated, including NSA senior Curran Davis. Our own Mr. Burns was the fastest NEC staff member with a time of 21:11.

A group of people are gathered outdoors on a paved surface. In the foreground, a man in a blue jacket and glasses stands next to a white car, gesturing with his hands. Behind him, a man in a dark jacket and a red cap stands with his arms crossed. To the right, a woman with long blonde hair and a man in a grey hoodie and dark jacket are visible. In the background, there is a large, light-colored building and some trees. The scene appears to be a training exercise or a group discussion.

## December Spirit Week

December's School Spirit week was a huge success with very high participation. The week was full of fun and games and included activities such as Twin Day and a gingerbread decorating contest. Enjoy the photos!
