

Personal Property Policies

ALL Electronic Devices

Students who choose to bring personal electronic devices to school do so at their own risk. Many of these devices are quite expensive. NSRHS takes NO RESPONSIBILITY for lost, stolen, damaged, broken, or other problems that occur with electronic devices UNLESS the item has been confiscated by a staff member.

Other Valuables

Students are discouraged from bringing valuable items to school. This includes jewelry, large amounts of money, as well as the aforementioned cell phones, MP3 Players, Game Boys, etc. Students should not bring items to school to sell, trade or buy. In addition, we strongly discourage lending or borrowing of valuables. Students who bring valuables to school do so at their own risk.

School Telephone Usage and Student Messages

- A student who needs to make a phone call during school time is expected to see a school counselor to discuss the purpose of the call. The student will be given access to a school phone, if necessary, to complete calls deemed necessary.
- If a parent/guardian needs to reach their student during the school day, please call the main number and speak to the main office staff. Your call will be directed to the staff most able to help you with your call.
- Calls to student cell phones during school hours are expected to go unanswered given the expectation that all phones are not being used during class time. Please help your student follow school cell phone rules by neither arranging to call nor text them during school hours.
- Urgent messages for students can be left with the main office, guidance counselor or adjustment counselor. If you are unsure of their extension,

the main office will direct your call.

- Phone calls to teachers will not be answered during instructional time, as this is disruptive to class. Please leave a message and it will be returned as soon as possible.
- Please try to avoid calls to the school immediately before and during dismissal time.

Change of Address

Please notify the school as soon as possible with any change in home/program address or telephone number. For student safety it is critical that we have accurate information regarding contact names and numbers in case of emergency.
