

# NORTHSORE EDUCATION CONSORTIUM

## Mission

Since 1975, NEC's mission has been to support member districts by offering high quality, cost-effective school programs, consultation, professional development, support services and resources.

We aim to ensure that districts can provide successful learning experiences for all students, including those with complex or low-incidence special needs.

# Connections Wraparound Program

[Click Here for Program Brochure](#)

The Connections Program offers short term community based wraparound services to identified high need students and their families. The clinician will meet with all key members of the team, provide support to the student and family and assist in accessing resources. The ultimate goal is to support stabilization and to promote academic and personal growth.

There are several contract options and/or fee for service packages available. Please contact Jen Orlando for more information.
