Upper School

March 2019

Caesar Salad Station a Hit!

On Friday, March 1, Culinary Students had a Caesar Salad Station during lunch. Options included regular, grilled chicken, or steak.

Students Matt "Pierre" Ormund and Jason "Giuseppe" Santiago prepared the salads to order.

NSA Basketball Team Scorecard

The Varsity and Junior Varsity teams both ended their regular season with BIG WINS. Each team ended the season with a 7-2 record and are well prepared to take on the GBBL Tournament at the University of Massachusetts at Lowell.

Go Wolverines!

NSA Soup-er Bowl on March 13 and 14

What better way to celebrate our Super Bowl Champions than with our very own Soup-er Bowl on **March 13th and 14th**.

Please consider donating a favorite soup to this event. You can send it to school in a crock pot or sealed container. Family members are welcome to attend! Contact Lynn Burns at lburns@nsedu.org or x2141 for more information or to RSVP.

Proceeds raised from the sale of soups will be used to help fund student activities.

NSA Class Featured in Local Newspaper!

Our "Water Views" enrichment class made the front page of *The Salem News* on February 15th. It was a great opportunity for the north shore community to read about the wonderful programs we offer!

The Acceptance Letters are Rolling In!

Seniors at NSA are counting their college acceptances! So far, students have been accepted to Johnson & Wales, Salem State University, Becker College, and North Shore Community College. Many students are anxiously awaiting responses from other schools. We wish them luck!

NSA Student Internships

NSA students are enjoying internships as part of their learning experiences and career exploration. We have three students who work at the Kevin O'Grady School preschool. We have another student who is helping to better organize and maintain the library at the Kevin O'Grady School.

Dual Enrollment Update

We have a half-dozen students taking dual enrollment classes at Salem State University. They are on their way to earning 3 college credits once completed. Three of these students are taking their second class. If their trend continues, they may be entering college with 12 or more college credits! It's been hard work for them, but they are invested and they are finding success both independently as well as with some support!

Spring Driver's Ed

The parent class for both Fall and Spring Drivers Ed will be held at NSA on **April 3, 2019** from 6-8. Please mark your calendars!

Contact Lynn Burns at lburns@nsedu.org or x2141 for more information or to reserve a spot for your student.

SAT Information

Juniors and seniors should consider taking the SAT. Upcoming SAT dates: **May 4th, and June 1st.**

SAT accommodations can be applied for, but can take weeks to process. Please contact your student's NSA counselor for more information.

Save the Date!

3/13-3/14 NSA Soup-er Bowl

3/22 Early Release Day (dismissal at 11:30)
