

April 21, 2020

Good afternoon NEC families,

Governor Baker has made the decision that all schools will be closed through the end of June. This was a difficult decision, but necessary to continue to control the spread of the coronavirus.

I have been meeting with all of our Principals and Staff to plan for eight more weeks of remote learning and support. We will all need to be creative and resourceful in finding ways to stay connected and help students move forward without sacrificing physical or mental health. I am confident that we will get through this and be stronger than ever!

I will be in touch over the next week with more information about graduating seniors, spring learning plans, and plans for summer and fall.

Please take care and stay well! Feel free to email or call if you have questions, concerns, suggestions, or ideas!
